**“For the LORD sees not as man sees: man looks on the outward appearance, but the LORD looks on the heart.”
(1 Sam. 16:7b)**

If you walk through the dining hall at Loaves and Fishes Soup Kitchen in the morning shortly after breakfast, you'll more than likely see her. Usually, even though she's the only one there, she will be involved in a very robust conversation with someone not visible to the ordinary eye. Once I confronted her about the reality of no one being there for her to be talking to and she quite emphatically retorted, "Not that you can see!" I couldn't argue with her, so now when I go by I just ask her and whomever she is talking with to just keep it down and she responds by simply lowering her voice.

She's a part of our family. We love her for who she is and she, in her own way, responds to our love by very efficiently doing things in the kitchen and dining hall. She is very lucid and analytical whenever we ask her to do anything in the kitchen and then she sets about doing it in a very proficient and complete manner.

No one knows where she came from or where she stays but every morning at around 6:00am she knocks on the back door and comes in without so much as a "Good Morning" and goes straight to her morning routine. She's a blessing to our ministry.

I don't know if we'll even see a drastic change in this fifty year old woman, but because you have helped us be here by your financial support and prayers, she has found a place of refuge and sanity in a somewhat crazy world. We need more than ever your continued financial support and we thank you in advance for it.

Peace in Yeshua,

Rick Humphreys
